

Eagles.

I would like to talk about a travelling club called "Eagles". It is a club where people travel as fast as fast as eagles. The club members always become stronger and stronger after every travelling session. They often climb and rest on mountains, like real eagles. If you want to become a member of that club, you have to be flexible and be okay with travelling for a long time.

The club members travel to different countries and beautiful places ⁱⁿ the world. They are planning to become the first ever travelling club that crosses the whole world.

For a whole week the club members start their meetings at 6:00 p.m. and end them at 8:00 p.m. They talk about their next travelling sessions. Even if somebody didn't show up on the meeting, they find their ways to inform those members about their plans. Saturday is their

day¹⁵⁰ off.

If you ~~want~~¹⁶⁰ to become one of the "Eagle" members, you will upgrade your climbing, swimming and talking skills. Maybe one day you'll even learn a new language or two...¹⁷⁰

So, to my biggest recommendation, please join that wonderful travelling club. I can promise, you won't regret it.¹⁹⁷

$$PK3 - 1 + 0 + 2 + 2 + 2 + 1 + 1 = \underline{9} +$$
